A Message from Secretary of State Wobensmith

Dear State Employees and Retirees,

Last year, the Maryland Charity Campaign exceeded the goal of \$3 million and raised \$3,000,675 for more than 900 charities. Those donations came from thousands of Employees and Retirees across the State of Maryland, each hoping to do his or her part on behalf of those who go without every day. I am so proud of that generosity, and I know we will exceed our goal of raising \$3 million this year. The 2018 Maryland Charity Campaign (MCC) is an opportunity for any eligible State Employee or Retiree who wants to help make the world a better place. Please join me in helping those in need by donating through the Maryland Charity Campaign (MCC) this year.

The Maryland Charity Campaign (MCC) is easy, convenient, and puts you in the driver's seat. You choose the amount you want to give. You pick the charity or charities that matter most to you, and then you decide which payment method is best for you. Ultimately, you get to decide the long-lasting impact you will have on our community and communities across the country. On behalf of the Maryland Charity Campaign team, we thank you for Give a little-Help a lot!

Sincerely,
