2018 Maryland Charities Campaign: ***Give a little - Help a lot!***

A Message from Governor Larry Hogan & Lt. Governor Boyd K. Rutherford

Dear State Employees and Retirees:

Lt. Governor Rutherford and I are truly humbled and deeply grateful for the opportunity to serve the great State of Maryland. Our administration is focused on changing Maryland for the better, and with your hard work, we can make Maryland the best place in America to live, work, and raise a family.

Today, we are writing about a more personal choice that can make a difference in the lives of families across our state. We are asking for you to participate in the 2018 Maryland Charity Campaign.

In 2017, approximately 12,000 of you selflessly gave more than \$3 million to the Maryland Charity Campaign, which exceeded our 2017 goal! Your generosity enabled Maryland charities to serve some of our most vulnerable neighbors. This year over 800 nonprofits are participating in our campaign, all of which provide critical services to fellow Marylanders who need our help.

Your contributions make a difference! Whether it's through hot meals for students, support for our seniors, health care services for our families, assistance to veterans, emergency response and disaster relief for our communities, many citizens across the state are touched by your compassion.

We have seen firsthand the generosity and impact made by our state employees, and we are continually impressed with the professionalism and genuine commitment you show our state. We are a stronger Maryland because of you! Please join us as we ***Give a little - Help a lot!*** Thank you for your service, generosity, and compassion.

Sincerely,

Larry Hogan

JOHN C. WOBENSMITH
SECRETARY OF STATE

A Message from Secretary of State Wobensmith

Dear State Employees and Retirees,

Last year, the Maryland Charity Campaign exceeded the goal of \$3 million and raised \$3,000,675 for more than 900 charities. Those donations came from thousands of Employees and Retirees across the State of Maryland, each hoping to do his or her part on behalf of those who go without every day. I am so proud of that generosity, and I know we will exceed our goal of raising \$3 million this year. The 2018 Maryland Charity Campaign (MCC) is an opportunity for any eligible State Employee or Retiree who wants to help make the world a better place. Please join me in helping those in need by donating through the Maryland Charity Campaign (MCC) this year.

The Maryland Charity Campaign (MCC) is easy, convenient, and puts you in the driver's seat. You choose the amount you want to give. You pick the charity or charities that matter most to you, and then you decide which payment method is best for you. Ultimately, you get to decide the long-lasting impact you will have on our community and communities across the country. On behalf of the Maryland Charity Campaign team, we thank you for Give a little-Help a lot!

Sincerely,

A handwritten signature in black ink, appearing to read "John C. Wobensmith", written over a printed name.

A Message from the 2018 Assistant Vice Chairs

Dear Fellow State Employees and Retirees,

Individually and collectively you make Maryland a great State renowned for charitable giving through the support of others in times of distress. Together we stand shoulder-to-shoulder celebrating the good times and during life's frailties, we step up to make a difference for our neighbors.

The Maryland Charity Campaign (MCC) provides you with an opportunity to make a difference and to help our neighbors overcome adversity. Over eight-hundred non-profit charities have qualified to participate in the 2018 MCC and each of these charities have mission critical needs. Your contributions can help support their mission. Your donation, regardless of the amount, will make achieving our \$3 million goal a reality!

You have the power to make our communities a better place to live, work and play. Changing Maryland for the Better, this is who we are as Maryland State Employees and Retirees, and this is who we are as Marylanders!

Please join us by donating through payroll deduction to over eight-hundred participating charities in the 2018 Maryland Charity Campaign. **Give a little – Help a lot!**

Sincerely,

Sam Abed, Secretary, Department of Juvenile Services

Ellington Churchill, Secretary, Department of General Services

Why Give Through the MCC

The Maryland Charity Campaign (MCC) provides you with the opportunity to reach out and touch the lives of those in need; to sustain local, state, national and international health, educational, environmental and human service organizations; and to make a meaningful contribution to your community. And it's so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State Employees and Retirees to participate in the effort to meet local, national and international health and human care needs.
- More than 800 charities are eligible for donations.
- Pledge now and pay in 2019. Payroll deductions make it easier to afford a more generous gift, allowing you to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor and the charity.
- Designated charities receive one check quarterly for multiple donations.
- Workplace giving donors give on average five times more, since they are typically deducted from paychecks all year long, providing nonprofits with sustainable, unrestricted funds.
- The campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's employees in mind. It is intuitive and user-friendly, and even better, it gives employees the experience they want when giving to charity.

Ways Your Donation Makes an Impact!

In 2017, the Maryland Charity Campaign (MCC) exceeded its goal and raised \$3,000,675 for nearly 900 charities. Help us raise even more in the 2018 MCC to help local, national, and international charities achieve their respective missions.

Frequently Asked Questions

1. WHY GIVE THROUGH THE MCC?

The MCC provides donors with the opportunity to reach out and touch the lives of those in need; to sustain local, state, national and international health, educational, environmental and human service organizations; and to make a meaningful contribution to your community. And it's so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State Employees and Retirees to participate in a local effort to meet local, national and international health and human care needs.
- More than 800 charities are eligible for donations.
- Pledge now and pay in 2019. Payroll deductions make it easier to afford a more generous gift, allowing you to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor and the charity.
- Designated charities receive one check quarterly for multiple donations.
- Workplace giving donors give on average five times more, since they are typically deducted from paychecks all year long, providing nonprofits with sustainable, unrestricted funds.
- The campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's employees in mind. It is intuitive and user-friendly, and even better, it gives Employees the experience they want when giving to charity.

2. WHY SHOULD I CONTRIBUTE THROUGH THE MCC?

The MCC is a convenient, cost-efficient method to donate through the ease of payroll deduction, check or credit card! The MCC also:

- **Makes a difference:** the community-at-large can identify the commitment of State Employees and Retirees, knowing that they are improving the quality of life for all Marylanders.
- **Creates an opportunity:** State Employees and Retirees may contribute to charitable organizations in an orderly and uniform process through one annual campaign.
- **Gives you the power:** you choose the amount and the charity or charities to receive your gift thus giving you the opportunity to contribute to one that touches your heart.
- **Is accountable:** all participating charities have been pre-screened to ensure that they are fiscally sound and that they perform the services stated.
- **Is tax deductible:** you get a record of your payroll deduction every payday.
- **Is easy:** you choose between regular payroll deduction, a one-time or recurring credit card contribution, or a one-time gift by check.

3. WHAT HAPPENS TO UNDESIGNATED CONTRIBUTIONS?

Once you are logged into the giving portal, click “Give” from the navigation menu on the left, then:

- When you find a charity you would like to support, click the “Give Now” link located under the charity name to start the pledge process.
- A pop-up box will appear where you can select your preferred payment method. For payroll deductions, the payroll frequency listed is tailored to automatically mirror your pay frequency, e.g., biweekly, monthly. Select your payment method and click “Next.”
- Under “Add Donation Amount” enter the amount you would like to pledge (this is the amount that will be deducted each pay period). To receive an acknowledgement from the charity, check “Yes” under “Contact Information.” You may include a short message with your donation, which will be provided to the charity.
- To donate to additional charities, click the “Add to Cart” button and your donation to the charity will be saved in your shopping cart. Once you are done selecting charities to support, click the “Checkout” button to complete the pledge process.
- A “Checkout Summary” will appear, allowing you to edit your pledges and payment information.
- Once you click the “Submit” button your pledge is complete. Once you have submitted your pledge, you can edit or cancel your pledge by clicking “Give” from the navigation menu and selecting “Manage Donations.” A list of charities you have pledged to will display. Click “Edit” or “Cancel” next to the donation you would like to modify. If you modify your pledge, you will receive a confirmation message that your original pledge has been modified after you submit the change.

- From the dashboard click the dropdown in the upper right-hand corner next to your name and select “Profile.”
- Click “Edit Profile” (under the box where you can insert a picture).
- Use the dropdown menu under “Time Zone.” You need to search for a nearby city (e.g. New York), rather than by East, Central, or West Coast, etc. If you are on the east coast just type an “N” and you will navigate down the list to select New York more easily.
