

STATE OF MARYLAND
OFFICE OF THE GOVERNOR

LARRY HOGAN
GOVERNOR

Dear State Employees and Retirees:

We are pleased to announce the launch of the 2020 Maryland Charity Campaign (MCC)—the state’s annual charitable workplace giving program. This year’s theme is **One Family One Hope #MDInThisTogether**, and we are asking you to participate and help us make a difference in our communities.

Last year, nearly 10,000 of you gave more than \$2.5 million, which enabled Maryland charities to serve some of our most vulnerable neighbors. This year, as we continue to face the most daunting public health and economic challenges of our lifetime, Maryland families and the 1,000 charities participating in the 2020 MCC need our help more than ever.

Donations of all sizes will go to support a variety of charities—from first responders providing life-saving relief during the COVID-19 pandemic, to medical researchers working to find a cure for life-threatening illnesses. Through your generosity, hungry children will have hot meals, seniors and veterans will receive critical care, and many other causes that help our neighbors will receive much needed support.

In these times of uncertainty, people all across our great state always look for ways to reach out and help one another. We witness that first-hand each year through the MCC, and through the continued compassion and generosity of our state employees and retirees.

Thank you for your service and for opening your hearts to help those in need. We are honored to serve beside you as we continue changing Maryland for the better.

Sincerely,

Larry Hogan
Governor
