- Click the “Get Started: Sign In” button.
- New for the 2020 MCC, each donor will create a new account.
- Click the appropriate link to register.
- To begin creating your account, enter a username, a work email address, and a password and the click the **Sign-Up** button.
  - This new account process ensures that the username is unique and that the email address has not already been validated for an existing user.
  - Once these validations are complete, the donor will be given a message that an email has been sent to the email address associated with the new account.
    - You will need to confirm the email address by following the instructions in the email.
• Once you have confirmed the email address, the next time you log in to the site, you may click the “Give Now” button from the MCC giving site, then click the “Login Here” link at the bottom and enter your username or email address and your password, and you will be logged in and redirected back to the Giving site.

• Once you are logged in, your username will display in the upper right corner of the screen.

Donors WITH Giving History:

If you participated in the MCC in 2019, your pledge history has already been loaded into the giving site. If you would like to support a new nonprofit this year, then you can select the “Start a New Gift and Designation” option. Alternatively, you can easily renew (or edit) your gift from last year by clicking “Renew a Gift from Last Year” to proceed.

If you choose to renew a gift, on the next screen you will have the option to keep your donation at the same dollar amount as 2019 or edit the amount. Once you have made your gift selections, click “Make Changes” to complete your transaction.

Whether you renew a gift from last year or start a brand new gift this year, you will next be asked to “Edit your profile.” Information you enter will be provided to the nonprofits you support through this campaign so they can acknowledge your gift upon your request.

Select “Continue” when you have finished updating your contact information.

Note: If any prior year donations are not reflected in your giving history, it may be due to one of the following reasons:

a. Donations by check are not reflected in pledge history, as they are not renewable donations. Please start a new paper pledge donation to donate by check.

b. Prior donations to a charity that is not eligible in the current campaign year is not included in pledge history as these donations are not renewable. Charities that are not listed may not have applied or may not be eligible to participate.

The Executive Order requires that undesignated funds be distributed proportionally among the participating charities based upon the percentage of funds designated to each charity.
