STATE OF MARYLAND
OFFICE OF THE GOVERNOR

Dear State Employees and Retirees:

We are pleased to announce the launch of the 2020 Maryland Charity Campaign (MCC)—the state's annual charitable workplace giving program. This year's theme is **One Family One Hope #MDInThisTogether**, and we are asking you to participate and help us make a difference in our communities.

Last year, nearly 10,000 of you gave more than \$2.5 million, which enabled Maryland charities to serve some of our most vulnerable neighbors. This year, as we continue to face the most daunting public health and economic challenges of our lifetime, Maryland families and the 1,000 charities participating in the 2020 MCC need our help more than ever.

Donations of all sizes will go to support a variety of charities—from first responders providing life-saving relief during the COVID-19 pandemic, to medical researchers working to find a cure for life-threatening illnesses. Through your generosity, hungry children will have hot meals, seniors and veterans will receive critical care, and many other causes that help our neighbors will receive much needed support.

In these times of uncertainty, people all across our great state always look for ways to reach out and help one another. We witness that first-hand each year through the MCC, and through the continued compassion and generosity of our state employees and retirees.

Thank you for your service and for opening your hearts to help those in need. We are honored to serve beside you as we continue changing Maryland for the better.

Sincerely,

JOHN C. WOBENSMITH.
SECRETARY OF STATE

Dear Fellow Maryland State Employees:

Few people living today have experienced the struggles families face from the effects of the COVID-19 pandemic. The effects of this pandemic have impacted families of every race, creed, and income level. The loss of jobs, the struggle to educate children at home, ravages of illness, food insecurity, and more are among the unprecedented challenges many families face every day. There is no more critical time to support the nearly 1,000 participating charitable organizations serving our communities.

The 2020 Maryland Charity Campaign (MCC) is a perfect way to express how deeply we care for our neighbors across the State who are struggling from the COVID-19 pandemic and the burdens of life without a pandemic. Many school-age children do not have adequate nutrition or the extra help they need to succeed in school. Domestic violence, human trafficking, education, elder care, health care, and the environment are just a few examples of needs that are met by the nearly 1,000 participating charities in the 2020 MCC. Our fellow Marylanders need our help! Please join me and help through this year's MCC. Your generous gift to the MCC is vital to your neighbors across the State.

Join me in showing that we are **One Family One Hope #MDInThisTogether** making a difference in the lives of our neighbors across our State!

Please, take a moment to review the directory (<http://mcc.maryland.gov/>) and select a cause close to your heart and donate to the 2020 MCC!

Sincerely,

A handwritten signature in black ink, reading "John C. Wobensmith".

A Message from the 2020 Vice Chairs

Dear Fellow State Employees and Retirees,

The Maryland Charity Campaign (MCC) serves nearly 1,000 nonprofit charities throughout Maryland and each of these charities have critical needs, especially now during the hardships imposed by COVID. Your contributions, and ours, help support their mission and support Maryland charities that shine a spotlight on those who unite us as one, to help our extended Maryland family. Your donation, regardless of the amount, will help to achieve our \$2 Million goal! **One Family One Hope #MDInThisTogether**

This yearly campaign provides each of us with an opportunity to make a difference and to help our neighbors overcome adversity. Local food banks, mental health services, homeless services, animal shelters and others are struggling to provide services in a time of much greater need.

Reputable charities, which have qualified in the 2020 MCC, help to heal the pain suffered by many members of our community. Thanks to these charities, suffering is mitigated, and hope is restored. **One Family One Hope #MDInThisTogether** We are proud to help this cause with our fellow state employees. We realize that in addition to the human toll of quarantine and everyday life situations, our furry friends are also victims of abuse and mistreatment. There are eligible charities who provide rescue and other services to these furry friends who often don't have an advocate.

Individually and collectively you make Maryland a great State renowned for charitable giving by supporting families in our State in times of distress. We stand shoulder-to-shoulder celebrating the good times and during life's frailties, we step up to make a difference for our neighbors.

You have the power to make our communities a better place to live, work and play. Changing Maryland for the better...this is who we are as Maryland State Employees and Retirees, and this is who we are as Marylanders!

Please join us by donating through payroll deduction or online giving to the nearly 1,000 participating charities in the 2020 Maryland Charity Campaign. **One Family One Hope #MDInThisTogether**

Sincerely,

Why Give Through the MCC

The Maryland Charity Campaign (MCC) provides you with the opportunity to reach out and touch the lives of those in need; to sustain local, state, national and international health, educational, environmental and human service organizations; and to make a meaningful contribution to your community. And it's so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State Employees and Retirees to participate in the effort to meet local, national and international health and human care needs.
- Nearly 1,000 charities are eligible for donations.
- Pledge now and pay in 2021. Payroll deductions make it easier to afford a more generous gift, allowing you to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor and the charity.
- Designated charities receive one check quarterly for multiple donations, decreasing their administrative burden.
- Workplace giving donors give on average five times more, since they are typically deducted from paychecks all year long, providing nonprofits with sustainable, unrestricted funds.
- The Campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's Employees in mind. It is intuitive and user-friendly, and even better, it gives employees the experience they want when giving to charity.

Ways Your Donation Makes an Impact!

In 2019, the Maryland Charity Campaign (MCC) raised more than \$2.5 million for nearly 1,000 worthy causes. Help us raise even more in the 2020 MCC to help local, national, and international charities achieve their respective missions.

- Click the appropriate link to register.
- To begin creating your account, enter a username, a work email address, and a password and then click the **Sign-Up** button.
 - This new account process ensures that the username is unique and that the email address has not already been validated for an existing user.
 - Once these validations are complete, the donor will be given a message that an email has been sent to the email address associated with the new account.
 - You will need to confirm the email address by following the instructions in the email.

- Once you have confirmed the email address, the next time you log in to the site, you may click the **“Give Now”** button from the MCC giving site, then click the **“Login Here”** link at the bottom and enter your username or email address and your password, and you will be logged in and redirected back to the Giving site.
- Once you are logged in, your username will display in the upper right corner of the screen.

Donors **WITH** Giving History:

If you participated in the MCC in 2019, your pledge history has already been loaded into the giving site. Alternatively, you can easily renew (or edit) your gift from last year by clicking **“Renew a Gift from Last Year”** to proceed.

Below this, a note states: 'All credit card fees will incur a per transaction fee of 3.5% by your carrier.' The main form area includes: 'Total Annual Gift' with a '\$ 0' input field and a '\$10.00 minimum' note; 'Credit Card Type' with radio buttons for Visa, MasterCard, AmericanExpress, and Discover; 'Credit Card Number' and 'Credit Card CCV' input fields; and 'Expiration Date' with 'Month' (dropdown showing '1') and 'Year' (dropdown showing '19') fields. A grey button with a plus icon and the text 'Add payment method' is centered below the form. At the bottom, there are two buttons: a grey '< Previous' button and an orange 'Continue >' button. To the right of the form, a sidebar titled 'Your pledge so far:' displays '\$500.00 TOTAL ANNUAL GIFT' and 'Payment Methods:' with a green '\$' icon and '\$500.00 CREDIT CARD'. At the top, a blue header bar contains a dropdown arrow, the text 'Electronic Check', and a '\$0.00' amount with a close icon. The main form area includes: 'Total Annual Gift' with a '\$ 0' input field; 'Bank Account' with an information icon and fields for 'Routing Number' and 'Account Number'; 'Verify Account Number' and 'Check Number' input fields; 'Account Holder' and 'Bank Name' input fields; 'Billing Address' with fields for 'Street Address', 'City', 'State' (dropdown), and 'Zip Code'; 'Contact' with fields for 'Phone Number', 'Email Address', and 'Drivers License Number'; and a checkbox labeled 'I Authorize This Transaction'. Step 3: Choose Your Favorite Charities to Support

Note: If any prior year donations are not reflected in your giving history, it may be due to one of the following reasons:

- Donations by check are not reflected in pledge history, as they are not renewable donations.
- Prior donations to a charity that is not eligible in the current campaign year is not included in pledge history as these donations are not renewable. Charities that are not listed may not have applied or may not be eligible to participate.

To obtain pledge history, please contact Donor Support Services by any of the following methods:

Option 1 = Email: MCC@charities.org

Option 2 = Phone: (800) 458-9505, dial "1" when prompted

Option 3 = Live Chat and Donor Support Services Portal: www.charities.org/support

To find charities to support:

- Click the **"Find a Charity"** button.
- A pop-up box will appear. Use the charity name, city, state/territory, and EIN search features to find a specific organization, or click through the alphabetical list.
- You can select as many charities to support as you would like. As you find charities you want to support, click **"Add"** and they will appear highlighted in blue under **"Selected Charities."**
- Click the orange **"Add to Designations"** button. The organization(s) you selected will now display on your list of designations.
- Next, you will have the opportunity to allocate your total pledge amount between the organizations you have added to your list of designations. To specify how much money to donate to each, use the slider tool or enter the exact amount in the donation box next to the charity.
- If you do not designate a charity your donation will be considered as undesignated funds. Undesignated funds are donations received that were not designated to a specific MCC charity by a donor and/or are moneys raised during special events. The Executive Order requires that undesignated funds be distributed proportionally among the participating charities based upon the percentage of funds designated to each charity.

To adjust the total annual amount you would like to pledge, click the **"Previous"** button to return to the payment method screen. The charities you selected will all remain saved on your list until you are ready to submit your pledge.

When you have finished allocating your donation between charities, click "Continue."

Step 4: Submit Your Pledge

1. You will have one final chance to review your gift and designations, and will also be able to select whether your gifts remain anonymous or grant permission to have your contact information shared with the charity(ies) you supported through the Campaign.
2. Click “Finish” to submit your pledge.

Maryland Charity Campaign Frequently Asked Questions

1. WHY GIVE THROUGH THE MARYLAND CHARITY CAMPAIGN (MCC)?

The MCC provides donors with the opportunity to reach out and touch the lives of those in need; to sustain local, state, national and international health, educational, environmental, and human service organizations; and to make a meaningful contribution to your community. And it's so much more:

- The MCC provides a single, coordinated appeal, rather than hundreds of individual drives.
- The MCC is the way for State Employees and Retirees to participate in a local effort to meet local, national, and international health and human care needs.
- Nearly 1,000 charities are eligible for donations.
- Pledge now and pay in 2021. Payroll deductions make it easier to afford a more generous gift, allowing you to make smaller contributions from each paycheck.
- Charities that receive MCC donations may devote their MCC funds to areas where they are needed most. That's a value-add for the donor *and* the charity.
- Designated charities receive one check quarterly for multiple donations, decreasing their administrative burden.
- Workplace giving donors give on average five times more since they are typically deducted from paychecks all year long, providing nonprofits with sustainable, unrestricted funds.
- The Campaign uses a state-of-the-art workplace and employee giving platform designed with Maryland's Employees in mind. It is intuitive and user-friendly, and even better, it gives Employees the experience they want when giving to charity.

2. WHY SHOULD I CONTRIBUTE THROUGH THE MCC?

The MCC is a convenient, cost-efficient method to donate through the ease of payroll or pension deduction, check, or credit card! The MCC also:

- **Makes a difference:** the community-at-large can identify the commitment of State Employees and Retirees, knowing that they are improving the quality of life for all Marylanders.
- **Creates an opportunity:** State Employees and Retirees may contribute to charitable organizations in an orderly and uniform process through one annual campaign.
- **Gives you the power:** you choose the amount and the charity or charities to receive your gift thus providing you the opportunity to contribute to one that touches your heart.
- **Is accountable:** all participating charities have been pre-screened to ensure that they are fiscally sound and that they perform the services stated.
- **Is tax deductible:** you get a record of your payroll deduction every payday.
- **Is easy:** you choose between regular payroll or pension deduction, a one-time credit card contribution, or a one-time gift by check.

3. WHAT HAPPENS TO UNDESIGNATED CONTRIBUTIONS?

Undesignated contributions are distributed among MCC-participating charities based upon the percentage of the designated funds they receive. If no charity designation is specified, those funds will be treated as undesignated. No charity write-ins are permitted.

4. WHAT HAPPENS IF A CHARITY I WANT TO GIVE TO ISN'T LISTED?

Only the charities listed are eligible and approved by the Office of the Secretary of State to participate in the MCC. Charities that are not listed may not have applied or may not be eligible to participate.

5. HOW DOES A CHARITY BECOME PART OF THE MCC?

Each charity must apply annually and meet the criteria set forth in the Executive Order.

6. IF I CHANGE JOBS WITHIN THE STATE GOVERNMENT, WILL MY PAYROLL DEDUCTION CONTINUE?

9. WHO PROCESSES MY DONATIONS?

The administrative fee for the MCC's Operating Agency is a flat amount established in the contract with the State. The corresponding percentage of dollars raised is based on the actual amount raised in the Campaign, but cannot exceed 11.89% of the prior year's dollars raised.

11. DOES THE MCC SET A QUOTA ON CONTRIBUTIONS TO LARGER CHARITIES OR REDIRECT CONTRIBUTIONS TO SMALLER CHARITIES?

No, there are no quotas for contributions to larger charities. All contributions designated to eligible charities go to that charity. Undesignated dollars are distributed among the charities based upon a percentage of the designated funds they receive.
