

LARRY HOGAN
GOVERNOR

STATE OF MARYLAND OFFICE OF THE GOVERNOR

Dear State Employees and Retirees,

We are pleased to announce that our state's annual charitable workplace giving program, the 2022 [Maryland Charity Campaign](#) (MCC), will launch on October 3, 2022. We invite you to join us in donating to causes you care about through the campaign. With more than 900 charities participating in the campaign this year, focusing on issues ranging from food insecurity to human trafficking, domestic violence to homelessness, health care to the environment, and so much more, we know you will find causes that are close to your heart.

Last year, our state employees and retirees raised more than \$2 million through the MCC, which continues now thanks to our donors who donated through payroll deductions. To those that donated and pledged last year, thank you as your incredible generosity is inspirational and a true testament to the people of our state. Your donations truly exemplify how we are **Mountain to Shore – Maryland Strong!**

Once again, we have an opportunity to provide crucial support through this year's campaign. Please visit <https://mcc.maryland.gov/> today and click 'Give Now' to start the giving process. Through the MCC, each pledge or donation you make becomes more meaningful as it's combined with your colleagues' contributions. Every dollar matters, and a donation of any size makes a meaningful impact.

Regardless of the method used to donate—whether through payroll deduction, debit or credit card, or electronic check—all donations add up to a lasting difference.

Thank you for your continued service to our state and for helping those in need.

Sincerely,
